FREE DOCTORS FOR THE SICK BABIES. The children's own. What is it? The right to be cared for in sickness, to be provided for in health, to be cherished and trained for all the possibilities of their future life. But the lot of the little French muslins. one coming to earth for a first and only visit is not always cast in the pleasant place where it is easy for this right to obtain.

Poverty darkens many a door so that even the brightness of childhood cannot penetrate the gloom within, and there sickness reigns and mind and body suffer slike from privations and lack of care.

It is in cases like this that THE EVENING World desires to be a missionary and that it has in seasons past accomplished some measure of good. Again this year it is preparing for the work, and its Sick Baby Fund and Free Doctors' Corps will soon be once more in full operation. All who are kindly disposed towards this charity are invited to aid it in what way cash. Many ladies consider it necessary in seems best to them.

RECKLESS BLASTING MUST STOP.

The law detailing the conditions under which blasting operations may be carried on in this city is sufficiently explicit. There is no excuse for the contractor on whose job a violation of its provisions takes place.

The frequency of "unexpected" explosions and of careless blastings, like those which yesterday put lives and property in danger in the vicinity of Mount Morris Park and on the Southern Boulevard, indicates, however, that an investigation into the manner in which the law is lived up to would be a very proper thing.

No contractor who allows himself or hi workmen to deviate in the least from the methods provided for securing safe blast. ing should be permitted to continue his

GROSTS OF THE SEA.

Sublime, even when they carry in the very elements of their sublimity the awful possibilities of destruction to a ship and death to its people, the icebergs loom upon the sight of ocean steamship passengers. The Normannia's escape from the peril which threatened it and its burden of 1,300 souls on Tuesday last makes the theme of a thrilling story and the cause for infinite thanksgiving.

One of the prettiest and most gratifying excursions of yesterday was that of the 250 Brooklyn working girls who journeyed to Locust Valley to take possession of the new Summer home provided for them dismay and staggered as though stricken through Mr. BENJAMIN W. There are many thousand Sundayschool teachers within the bailiwick of THE EVENING WORLD, in the States of New York, New Jersey and Connecticut; and to one of them THE EVENING WORLD proposes

one of them THE EVENING WORLD proposes to present a piano.

Not an ordinary, cheap affair, but a first-class, sweet-towed and elegant instrument.

The name of the Sunday-school teacher to whom the piano shall be given shall be left to the children and those who have been children of the Sunday-schools and they shall decide by casting their ballots in an Evening World popular election.

The piano is Estev's best make, which is sufficient guarantee that it will be first class in style, tone and finish.

The winner may choose the wood she prefers to have it in. She may select cherry, rosewood, mahogany, shout, black-waluut or any other wood, and be assured that she will be the possessor of the finest plano she ever saw.
